

Could the “dividing of Iraq” after 11/07/06 into four separate areas, be the latter day fulfillment of Alexander’s the Great’s “two-part” prophecy in Daniel Chapter 8 ?

International Autonomus Area: Green Zone

5And as I was considering, behold, **an he goat came from the west on the face of the whole earth, and touched not the ground:** and the goat had a notable horn between his eyes.

17So he came near where I stood: and when he came, I was afraid, and fell upon my face: but he said unto me, **Understand, O son of man: for at the time of the end shall be the vision.**

19And he said, Behold, I will make thee know what shall be in the **last end of the indignation:** for at the time appointed the end shall be.

20The ram which thou sawest having two horns are the kings of Media and Persia.

21And **the rough goat is the king of Grecia:** and the great horn that is between his eyes is the first king.

22Now that being broken, whereas four stood up for it, **four kingdoms shall stand up out of the nation** but not in his power.

23And in the **latter time of their kingdom,** when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up.

24And his power shall be mighty, but not by his own power: and he shall destroy wonderfully, and shall prosper, and practise, and shall destroy the mighty and the holy people.

25And through his policy also he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many: **he shall also stand up against the Prince of princes; but he shall be broken without hand.**

26And the vision of the evening and the morning which was told is true: where fore **shut thou up the**

Could President George W. Bush be the “latter day” Alexander the Great who came from the West and touched not the ground (by airplane) to insert Democracy (from Greece) into Iraq (Media), signaling the beginning of the time of the end? Could GWB also be the good rider of “the white horse from the White House”, acting as a type of “crusader” conquering Islam (iron) with Democracy (clay) in Rev. 6:1-2? If so, could the red horse of war be upon us in Rev. 6:3-4, due to the “conquering crusades” of the white horse? Ecc.1:9 & 3:15, confirms history in fact does repeat itself! Therefore, is it possible GWB could be the 2nd fulfillment of Alex the Great’s prophecy in Dan 8? And if this is the “last end” (Vs.-19), and “latter time” (Vs.-23), there would also be a “first” and “former” right (Alex the Great)? If all this is in fact true, then look for a Muslim Cleric (little horn in Vs-9) who understands the dark sentences in Vs-23 (Koran) calling himself the Mahdi to arise out of one of the four areas above in the near future.
